

# CONNECT

2019

**King's** Church  
*kingi whanau*

Our vision is *God's people on God's mission for God's glory*. Another way we put this is UP (toward God), IN (in relationship with each other), and OUT (mission in our community and beyond).

*...a family who daily support, encourage and celebrate with each other...*

The Christian life is intended to be lived in genuine community. We are Kingi Whanau - a family, who daily support, encourage and celebrate with each other, through life's inevitable ups and downs.

On Sundays we gather all together but during the week we gather in smaller groups. Together we seek to live out the story of Jesus, blessing and serving the communities across Christchurch that we are a part of.

Even if you're still exploring and not sure what you believe yet, we would encourage you to connect into King's and get to know people better by connecting with a little family within the bigger

Kingi Whanau.

# **RUNNING** partners

Our hope is that everyone in our church family would have at least one or two people in their life who know them well and can meet with them regularly to encourage their walk with God.

The purpose of 'running' together is to provide the encouragement, pacing, and motivation we all need to persevere and win the race. Chatting together about what God has been saying to each other and praying through issues - doing life together!

The primary goal is that you will encourage one another to grow in your relationship with God.

*The best way to find a good running partner is simply to ask someone who you feel comfortable with and try it out for a while - meet any time and place that is convenient for you both*

# king's **GROUPS**

From the earliest days meeting in homes was part of the life of the church. Groups are a key place where we can make connections, find friendship, fun and support within the King's family. In these groups we can encounter God and seek His direction for our lives.

Spirit. We also have a lot of fun together, bad jokes, movies, band gigs and other fun things. All welcome!

*Whatever age and stage we are in life or with God, we need to prioritise relationships and connection. – Aidan Watson*

## **Mid-week Early Morning Prayer** – Ken Shelley

Halswell - Wednesdays, 7-7.40am

To pray for “breakthrough”. Mug of tea and a passion to pray!

## **Sunday pre-meeting Prayer**

School Library - Sunday, 9.45-10.15 am

Each Sunday before the meeting we gather to pray about the meeting and see God move powerfully amongst us.

## **Praying Together as a Whanau**

These events will be held regularly throughout the year and will be advertised on a Sunday, in our weekly emails, and on our Facebook page.

Sometimes it will be all together in one location, and other times we will pray in multiple locations or in groups. Other times we will join with other churches around Christchurch.

We spend a good proportion of time in worship and seeking God. Quite often we have found that God speaks to us through these times and we gain a sense of direction and momentum through the Holy Spirit.

We pray through various issues in our church and seek to see God move powerfully in Christchurch, New Zealand, and beyond.

*“These are amazing  
times of encounter and  
business done with God.  
We worship, he speaks  
and we follow his lead  
in prayer”.*

- Kate

# king's KIDS

From the new-born to the eldest church member, everyone belongs. Our heart is to see each young person encounter God and embrace His calling on them; with a passion to live for Christ throughout their lives as they build great friendships with their peers.

We have four children's groups that meet on Sundays. Contact **Ginger Horn** or the office for more details on any of these groups.

On Sundays, the children stay in with our church family for the time of worship and after tea and coffee they go off to their own activities.

Our children's groups provide a secure and friendly environment in which children can grow and develop friendships with other children their own age. They have games and songs, sharing and prayer times, stories and craft activities. The older groups often have fun socials at weekends too.

All children (up to Xtreme) are signed in and out of the groups as part of our Child Protection Policy. The leaders of the group will explain this to you as you arrive with your child. If you wish, you are very welcome to stay with your child in these groups.

## **Sunday Lunches** – Alex Skingle

Roster – every 3 months approx.

Sunday lunchtime

Each Sunday we have a lunch in someone's home for any visitors or new people at King's.

Invite a few of the King's

family for a pot luck

lunch, and then

welcome any

visitors or

people who are

new to King's to

come along.

As a regular at our fortnightly men's get together over coffee for the last couple of years, I have really appreciated being able to meet with existing friends and make new ones over coffee, tea or, occasionally, something stronger.

As men we often like to tell ourselves and others that we can do life on our own, but in reality we know that this isn't true. Privately stewing on the bad day we have had a work, the marriage or parenting issues we are facing, or the life decisions we need to make is no substitute for being able to open up to a friend and talk things through.

Similarly, we may have seen a great new show on Netflix, read a book we are itching to share, had a new revelation from our time with God or need to try out a new joke on an unsuspecting audience!

We may need to draw on the experience of an elder or be around the enthusiasm and certainty of youth. Whatever age and stage we are in life or with God we need to prioritise relationships and connection. Men's coffee is a great opportunity to do just that.

—Aidan Watson
